American Wind Band Scholarship Audition Information Scholarship Requirements

Dear Applicant,

We wish to thank you for your interest in our scholarship competition. One high school finalist will be awarded a \$1,700 scholarship, and one high school finalist will be awarded \$1,500. One 8th grade finalist will be awarded a \$1,650 scholarship, and one 8th grade finalist will be awarded \$1,275. The scholarship money will be paid to each student's private teacher for future study on a band instrument or the band camp of the student's choosing. We will issue the check after we receive a completed W-9 form.

We have a two-step process. Applicants will provide an **unaccompanied** recording of their solo for the first round of the competition. Judges will only consider the quality of the recorded performance but not the quality of the media used. Based upon those recordings, the scholarship committee will select contestants to compete in a live audition. This second round will be held on Saturday, March 16, 2024, at First United Methodist Church, 1032 Maple Avenue, Downers Grove, Illinois.

Requirements:

1. Previous winning soloists cannot audition in a consecutive year.
2. Applicants must be in high school or 8th grade and presently a member of the school band. If the applicant's school does not offer a band program, the applicant must participate similarly in a youth band or orchestra or a community band or orchestra on a band instrument.
3. Applicants must submit an **unaccompanied** recording of a solo performance on a band instrument along with the application form by the deadline, February 23, 2024. We prefer that applicants upload their recording to YouTube, setting the Visibility to Unlisted, and share the link with us via email to americanwindbandil@gmail.com. Applicants are being judged on their musicianship not their technological skills. Feel free to reach out if you need assistance with the recording sharing process. The application form can be found at www.americanwindband.org.
4. The solo must be performed **without** accompaniment for the recording and the second-round audition. (Accompaniment is encouraged for the April 21 concert.)
5. Memorization is not required during the second round and concert performance. Three copies of the music will be required for the judges for the second round.
6. Two scales of the student's choosing will be required for the second round.
7. The length of the 8th grade solo should not exceed 5 minutes, and the length of the high school solo should not exceed 10 minutes.

There will not be a formal numerical rating of the audition performance. The judges' decision will be final. We must receive applications and audio recordings on or before February 23, 2024. Late applications will not be accepted. Email applications to americanwindbandil@gmail.com or mail them to:
